HOW IT WORKS

PARENTS PURCHASE INSURANCE

- School branded web page created and URL shared with school.
- School shares URL with parents to click and purchase insurance.
- School decides whether Parent or school staff will manage claims & service.
- 2NDGEAR creates an online account for school to view in real-time policy purchases by parents, claims activity and export reports.

SCHOOL PURCHASES INSURANCE

- School issues a purchase order & provides an excel spreadsheet with each device model, serial number and other optional information such as asset tag ID & more.
- 2NDGEAR creates an online account for school and uploads all of the policy purchases.
- School manages claims & service.
- School has real-time access to claims activity and reporting of policies & claims...
