Dell UltraSharp 27 Monitor | U2715H
68.6 cm (27 inches)

The Dell UltraSharp 27 Monitor offers you:

World class screen performance

View images and documents easily with superb Dell UltraSharp screen clarity and precise color performance on this large, 27" viewing area with brilliantly sharp QHD resolution.

- Enjoy consistent, accurate colors right out of the box — each Dell UltraSharp 27 Monitor is factory tuned at 99% sRGB with a $\Delta E < 3$.
- To enhance collaboration with co-workers, colors on the screen remain consistent from virtually any angle with this monitor's ultra-wide viewing angle.
- Experience great color depth and detail with 16.78 million colors and exceptional screen clarity on a large 27", 16:9 screen with QHD resolution of 2560 x 1440.
- Help boost productivity with easy multi-monitor setup thanks to daisy chain capabilities via DisplayPort out connectivity.
 - The ultra-thin bezel allows virtually borderless viewing between monitors.

Outstanding usability

Enjoy excellent connectivity and flexible viewing options that make the U2715H easy to use.

- Easily pivot 90° clockwise or counter-clockwise placing the thinnest edges side by side for an enhanced screen experience with a multi-monitor set up.

Perfect for dual/multi-monitor set up to promote increased productivity.

Recommended for:

- Traffic control monitoring
- Programming and software development
- Office applications

- Work the way you like with the fully adjustable U2715H including tilt, pivot, swivel and height adjustable stand features.
- Connect seamlessly to your PC and other peripherals simultaneously without compromising on picture quality via digital connectivity.
- Display content from your smartphone or tablet directly on the large monitor screen and charge it at the same time when you connect either device via MHL to your U2715H monitor.
- A high current USB 3.0¹ charging port supplies twice the power for charging and powering BC1.2 compatible devices.
- Gain enhanced productivity with Dell Display Manager which houses applications that can be customized easily like Auto Mode, Easy Arrange and Power Nap.

Reliability and eco-efficiency

- Minimize downtime and gain peace of mind with:
 - Premium Panel Guarantee² which offers a free panel exchange in the event that you discover even one bright pixel during the Limited Hardware Warranty³ period.
 - Dell's 3-year Limited Hardware Warranty and Advanced Exchange Service⁴, providing you with quality you can count on.
- Made of environmentally preferable materials, the U2715H is designed with more than 25% post consumer recycled materials in its chassis, is BFR/PVC-free (excluding external cables), arsenic-free glass and a mercury-free LED panel.
- Rest assured that the U2715H meets the latest environmental standards such as ENERGY STAR[®], EPEAT[®] Gold⁵ and TCO Certified Displays.

Thank you
for making
Dell monitors
