# HP EliteDesk 800 G1 Desktop Mini Business PC

Fits here, there, almost everywhere

The desktop has evolved.
Packed with integrated
enterprise-class performance,
security, and manageability
features, this is HP's smallest
business desktop yet.
Efficiently crafted, the
HP Desktop Mini will fit
into almost any workspace.

HP EliteDesk 800 G1 Desktop Mini Business PC

HP recommends Windows.

#### Big power, space-saving design

- Smaller than some desk phones, this HP EliteDesk 800 Desktop Mini Business PC can fit almost
  anywhere vertically or horizontally. The clean, easily serviceable design with integrated wireless
  antenna and VESA mount allow flexible deployments<sup>1</sup> to help enhance the workspace.
- Be up to 35 percent more productive<sup>2</sup> by adding up to three independent displays<sup>3</sup> using the integrated VGA and DisplayPort with Multi-Stream video outputs.
- The HP EliteDesk 800 G1 Desktop Mini is designed to undergo MIL-STD 810G tests.<sup>4</sup> Prior to that, HP performed 115,000 hours of our own testing and end-to-end diagnostics to help ensure you feel confident right from the start.
- Easily service the HP EliteDesk 800 G1 Desktop Mini. A single thumb screw provides fast access to clearly identifiable and serviceable components.

## **Full EliteDesk functionality**

- Keep productivity high and downtime low with HP BIOSphere firmware-level automation. Your
  PCs have extra protection, thanks to automatic updates and security checks. Enjoy customization
  that allows your PC to evolve with your business.<sup>5</sup>
- Rest assured. Talk to an agent anytime and get priority service at any HP repair center with HP Elite Premium Support<sup>23</sup> at no additional charge.
- Power through your day with speed and performance. Get the latest in processing technology with your choice of 4th Generation Intel<sup>®</sup> Core<sup>™</sup> processors<sup>6</sup> with optional Intel<sup>®</sup> Core<sup>™</sup> vPro<sup>™7</sup> technology.
- Enjoy easy and simple integration into your IT environment and ongoing maintenance with HP Client Management Solutions<sup>8</sup> such as optional LANDesk software.<sup>9</sup>
- Help reduce the burden on IT with long lifecycles, and stable images and drivers, along with HP's business services and support programs.

### Heavy security that is exceptionally managed

 HP BIOSphere boosts security and keeps mission-critical data and systems under lock and key with customizable authentication and BIOS-level passwords.<sup>5</sup> • HP Trust Circles helps protect your data by helping to ensure that only assigned contacts can access critical files.<sup>24</sup>

#### Green with envy

 The low energy consumption levels of this ENERGY STAR® qualified and Electronic Product Environmental Assessment Tool (EPEAT)® Gold¹¹⁰ registered PC supports 24x7 operations. Consuming less than 8 W of power at idle, your Desktop Mini can be always on and always updated.

- Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers, and/or software to take full advantage of Windows 8.1 functionality. See <u>microsoft.com</u>.

  Not all features are available in all editions of Windows 7. This system may require upgraded and/or separately purchased hardware to take full
- advantage of Windows 7 functionality. See microsoft.com/windows/windows-7/ for details.

  This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- Optional or add-on feature
- "Óbserved Productivity, Efficiency and User Satisfaction when Using Multiple or Large Displays," Koala LLC Ergonomics Consulting, November 6,
- Support for multiple monitors requires displays that support DisplayPort with multistream that can be daisy chained together. Monitors and
- MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or military use. Test results are not a guarantee of future performance under these test conditions.
- HP BIOSphere features may vary depending on the PC platform and configuration.
- Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture–enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- Some functionality of this technology, such as Intel® Active Management Technology and Intel® Virtualization Technology, requires additional third-party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on third-party software providers. Microsoft Windows required.
- HP Client Management Solutions require Windows.
  LANDesk software is sold separately. Managed devices must be connected to the management server. Requires active LANdesk maintenance service. Wipe functionality performs a "Windows 8 reset" and requires Windows 8. Lock performs a Windows "Lock Computer.
- 10. EPEAT® Gold registered where applicable. EPEAT registration varies by country. See <u>epeat.net</u> for registration status by country.

  11. Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB
- may not all be available due to system resource requirements.
- 12. Dual channel is only supported when the system is configured with DDR3 symmetric memory.
   13. For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 16 GB (for Windows 7) and up to 36 GB (for Windows 7). Windows 8.1) of system disk is reserved for system recovery software
- 14. Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6 GB Single-Sided/5.2 Double-Sided Version 1.0 Media.
- 15. Integrated Intel HD Graphics uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs.
- 16. HP Client Security requires Windows. Planned support for Windows 8.1 is expected to ship with products beginning in December 2013.
- 17. Requires an Internet connection to an HP Web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents, and image types and other HP ePrint details, see <a href="https://pconnected.com">https://pconnected.com</a>). Mobile devices require an Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Some HP LaserJet printers may require firmware upgrades. 18. HP PageLift requires Windows 7 or later edition.
- 19. HP Support Assistant requires Windows 7 or later edition and Internet access.
- 20. Webcam required for video conferencing.
  21. Service levels and response times for HP Care Pack services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See hp.com/qo/cpc for details
- 22. The compatible HP displays are not multistream capable. 23. Elite Premium Support varies by region.
- HP Trust Circles Standard, when included, allows up to five Trust Circles with up to five contacts in each Trust Circle. Optional Trust Circles Professional required for an unrestricted number of Trust Circles and member contacts. Trust Circles Reader is available to allow a contact to participate in an invited Trust Circle. Requires Windows.
